

# Bully Prevention

Responding to Bullying and Building  
a Culture of Kindness in Schools

Free Webinar

May 8, 2013

3:30 p.m. - 4:30 p.m.

A serious response to prevent bullying requires a comprehensive approach by school systems that incorporates creating a culture of respect and kindness as well as collaborative partnerships with parents, school staff, and community based organizations. This interactive webinar will provide school personnel with resources to respond to bullying, understand the different types of bullying, and best practices to address the issue. This webinar will also provide participants with knowledge and resources needed to establish or improve district policies to better support all students.

The California County Superintendents Educational Services Association's Regional K-12 Student Mental Health Initiative is administered by the California Mental Health Services Authority (CalMHSA), an organization of county governments working to improve mental health outcomes for individuals, families and communities. Prevention and Early Intervention programs implemented by CalMHSA are funded through the voter-approved Mental Health Services Act (Prop 63). Prop 63 provides the funding and framework needed to expand mental health services to previously underserved populations and all of California's diverse communities.
